

## UNMH Pediatric Infectious Diseases Clinical Privileges

Name: \_\_\_\_\_

Effective Dates: \_\_\_\_\_ To: \_\_\_\_\_

- ☐ Initial privileges (initial appointment)
- ☐ Renewal of privileges (reappointment)
- ☐ Expansion of privileges (modification)

*All new applicants must meet the following requirements as approved by the UNMH Board of Trustees effective: 09/27/2013*

### INSTRUCTIONS

**Applicant:** Check off the "Requested" box for each privilege requested. Applicants have the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, current clinical activity, and other qualifications and for resolving any doubts related to qualifications for requested privileges.

**Department Chair:** Check the appropriate box for recommendation on the last page of this form. If recommended with conditions or not recommended, provide condition or explanation on the last page of this form.

### OTHER REQUIREMENTS

1. Note that privileges granted may only be exercised at UNM Hospitals and clinics that have the appropriate equipment, license, beds, staff, and other support required to provide the services defined in this document. Site-specific services may be defined in hospital or department policy.
2. This document defines qualifications to exercise clinical privileges. The applicant must also adhere to any additional organizational, regulatory, or accreditation requirements that the organization is obligated to meet.

### *Qualifications for Pediatric Infectious Diseases*

---

***Initial privileges*** - To be eligible to apply for core privileges in pediatric infectious diseases, the initial applicant must meet the following criteria:

Successful completion of an Accreditation Council for Graduate Medical Education (ACGME) or American Osteopathic Association (AOA) accredited residency in pediatrics, followed by successful completion of an accredited fellowship in pediatric infectious disease.

AND

Current subspecialty certification or active participation in the examination process leading to subspecialty certification in pediatric infectious disease by the American Board of Pediatrics.

AND

***Required previous experience:*** Inpatient or consultative services to an acceptable volume of pediatric patients, reflective of the scope of privileges requested, during the past 12 months or successful completion of an ACGME or AOA accredited residency or clinical fellowship within the past 12 months.

***Reappointment requirements:*** To be eligible to renew core privileges in pediatric infectious diseases, the applicant must meet the following maintenance of privilege criteria:

Current demonstrated competence and an adequate volume of experience with acceptable results, reflective of the scope of privileges requested, for the past 24 months based on the results of ongoing professional practice evaluation and outcomes. Evidence of current ability to perform privileges requested is required of all applicants for renewal of privileges.

### **CORE PRIVILEGES: *Pediatric Infectious Diseases***

Evaluate, diagnose, consult, and provide care to children and adolescents, including newborns and infants with acute and chronic infectious or suspected infectious diseases. Provide care to children and adolescents, including newborns, who have immunologic diseases, underlying diseases that predispose to unusual or severe infections, unclear diagnoses, or uncommon diseases. Complex or investigational treatments include, but are not limited to, management of infections caused by virus, fungi, bacteria, parasites, rickettsiae, mycoplasma, HIV, or chlamydia. The core privileges in this specialty include the procedures on the attached procedure list and such other procedures that are extensions of the same techniques and skills.

### **□ Requested**

### ***Pediatric Infectious Disease Core Procedures List***

---

This list is a sampling of procedures included in the core. This is not intended to be an all-encompassing list but rather reflective of the categories/types of procedures included in the core.

**To the applicant:** If you wish to exclude any procedures, please strike through those procedures which you do not wish to request, then initial and date.

1. Perform history and physical exam
2. Administration of antimicrobial and biological products via all routes
3. Application and interpretation of diagnostic tests
4. Aspiration of superficial abscess
5. Interpretation of Gram's stain
6. Lumbar puncture
7. Management of infections caused by virus, fungi, bacteria, parasites, rickettsiae, mycoplasma and HIV, chlamydia, or infections in travelers
8. Management, maintenance, and removal of indwelling venous access catheters

### **Acknowledgment of practitioner**

I have requested only those privileges for which by education, training, current experience, and demonstrated performance I am qualified to perform and for which I wish to exercise at UNM Hospitals and clinics, and I understand that:

- a. In exercising any clinical privileges granted, I am constrained by hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.
- b. Any restriction on the clinical privileges granted to me is waived in an emergency situation, and in such situation my actions are governed by the applicable section of the medical staff bylaws or related documents.

Signed \_\_\_\_\_ Date \_\_\_\_\_

### **Department recommendation(s)**

I have reviewed the requested clinical privileges with the applicant and the supporting documentation for the above-named applicant and:

- ☐ Recommend all requested privileges with the standard professional practice plan
- ☐ Recommend privileges with the standard professional practice plan and the following conditions/modifications:
- ☐ Do not recommend the following requested privileges:

Privilege Condition/Modification/Explanation
