CREDENTIALING LIAISON INSTRUCTIONS

You should anticipate at least 60 days from the time of submitting a complete credentialing packet with all supporting documents to approval. Average turnaround time for processing of credentialing application is 30 days. The Committee approval process also averages 30 days. Depending on the application, this process may take a little less or a little longer.

In addition to the AppCentral process, the following items will be required (as applicable) to be completed during the processing of the application:

1) Photo ID Requirement
   - Including copy of a current picture hospital ID card (front and back) or a valid driver’s license or passport to show verification that the practitioner requesting approval is the same practitioner identified in the credentialing documents.

2) Copy of current, dated, Curriculum Vitae in month/year format
   - To comply with our network provider contracts, all education, training, affiliations and work history must be in month/year format and include start and end dates - CVs not in this format will be returned.

3) Bloodborne Pathogens training -
